

# Awning Notes

All Prices are in South African Rand (ZAR)

Only faxed or emailed orders will be accepted, we can no longer accept orders over the phone.

## Windy Conditions

**Awnings must be retracted during windy conditions, to prevent damage to the fabric and/or mechanism.**

Only awnings from our range will be accepted - "No Specials".

Only aluminium framed awnings which allows for staples & wood framed accepted for recover.

Awnings which are in good condition will be accepted for re-covering.

It is recommended that all awnings covered in "Lac 650sl P.V.C." are fixed.

We do not recommend "Lac 650sl P.V.C, Protent or Shadecloth." for Forenza retractable fold arm awnings, or Barcelona
