About AluShade

Alushade is an independent producer of semi-finished, fabricated high quality rolled and extruded aluminium & steel. With designers and architects offering perfect system solutions with innovative material combinations & harmonious integration of shapes, colours and surfaces AluShade offers unlimited design potential.

Classic Window & Door Awnings

Fixed IBR Roof Sheet Awnings

Carports

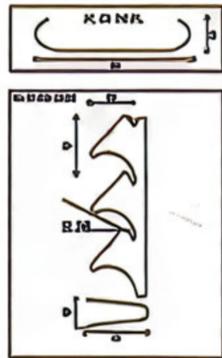

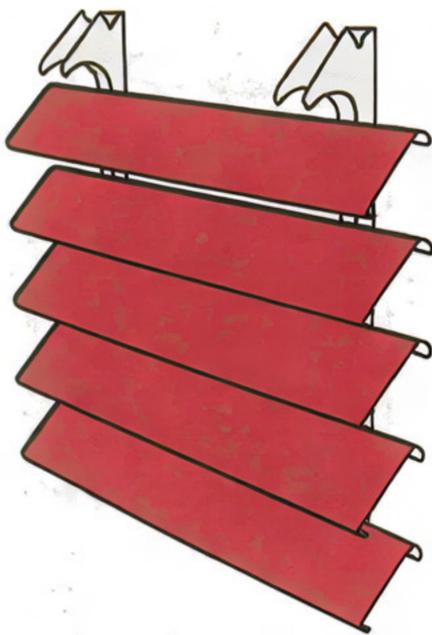

Sun Control Products

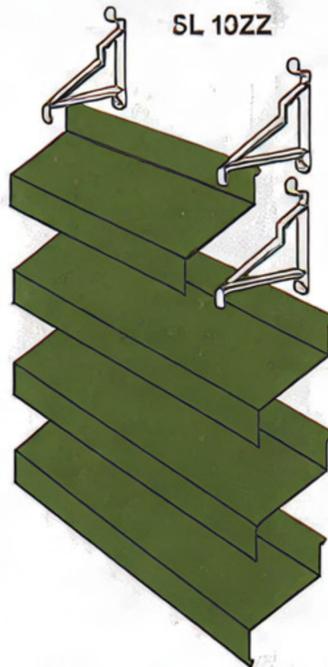

Fixed Sun Louvre Solutions

Specially designed to reduce heat and diffuse glare, our lightweight roll formed all-aluminium louvre systems reduce the load on air-conditioning without impeding fresh air flow and only minimal light reduction is encountered.
